A pair of sibling kittens from the same litter at 11 weeks old. The word "kitten" derives from the Middle English word kitoun, which in turn came from the Old French chitoun or cheton. Juvenile big cats are called "cubs" rather than kittens; either term (but usually more commonly "kitten") may be used for the young of smaller wild felids, such as ocelots, caracals, and lynxes.

I was bored one day and started making a list of dramas to watch on summer and well, *Two Weeks* definitely made it as soon as I read it had action (yes, I'm an action lover). Anyways, one day, after being emotionally ruined by *You're All Surrounded*, to clear my mind and ease myself I decided to start watching *Two Weeks*.
