Fast Guide To Cubase Vst

EVERYONE who owns Cubase VST wants a printed manual as you only get an electronic one (pdf) with it. This is a reasonable stab at it but it is the FAST guide and as such does not cover every single function and aspect of the program. It is quite good for audio and explains the concepts and practicalities well.

With VST Connect, you can work with musicians anywhere in the world and still record directly into your Cubase project. Steinberg 's VST Connect has been around in some form since 2012, debuting as a plug-in in Cubase 7. But with musicians, producers and indeed everyone else locked down in their respective homes due to the COVID-19 crisis, it's never seemed as relevant as it does right now.
