You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Oh yeah, this isn't your dad's fantasy show. It's got edge and mass goblin rape/murder, but most importantly, edge. In the never-ending sea of fantasy light novel adaptations, it can be pretty hard to make your own standout, which we can only assume to be what motivated Goblin Slayer to start its story by having this event happen to a bunch of characters we know nothing about.
