What Horses Teach Us 2014 Calendar - Horse.com

Horses teach us to be flexible, both physically and mentally. Sometimes when you're working with an animal that weighs 1,000 pounds or more, you're not going to get your way immediately. You have to learn to be flexible mentally. Horses are large animals, and you never know exactly what to expect from them.

What Horses Teach Us - The Odyssey Online

Horses teach us confidence. They are herd animals, and every herd has a leader. If you don't provide the leadership, your horse will. I am sure every one of us can recall a moment when a typically kind lesson horse dragged some poor, unsuspecting kid to the grass for the millionth time until the kid finally realized enough is enough.

Sometimes it seems that the biggest lessons horses teach ...

"The horse will teach you if you'll listen." -Ray Hunt.You'd be hard pressed to find an equestrian who doesn't believe they've learned a lot simply by being around horses. But whether you are an experienced horse person or have never seen a horse up close, there are many things about life and living that horses can teach us.

5 Things Horses Can Teach Us - Equine Connection Counseling

It probably includes getting your horse from the field, grooming them, tacking them up, learning something new under saddle, cleaning a stall, refilling water buckets, moving hay bales, feeding grain, and double checking fences...just to name a few! Taking care of horses isn't an easy task, but the lessons learned are always worth it.

Madorno: The horses are reading what you're doing, they can smell your emotions. They have amazing emotional intelligence. They read all of the signals, and the thing they rely on the least is the verbal communication. Horses can learn to understand what your saying, but what they're really paying attention to is what you're not saying.

How Horses Can Teach Us Emotional Intelligence and ...

Horses in History. The clattering of hooves pierced the dark stillness of the Austrian night. It is the fall of 1855. The gilded Ambruster Dress Carriage, a beautiful vehicle trimmed in glimmering black paint and shiny gold leaf that stood out against the inky night sky, traveled up the long, graveled driveway.

Horses in History | Equine Heritage Institute

Horses in History | Equine Heritage Institute ... Most of us horses are that way. We just shut down inside when we are around people, so most of the time we don't even know how we feel or what we think because we have to hide those feelings away in order to keep on going. We assume that no one really cares about what we have to say anyway.

What Horses Can Teach Us About Ourselves

The horse evolved over 45 to 55 millen years from a small multi-toed creature into the large, single-toed animal of today. Humans first domesticated them between 4000 and 3000 BC. Click for more kids facts and information or download the worksheet collection.
